

an after school program (run by parents) to provide cost effective music and art tuition to students

Re-enrolments for 2009 have opened

Dear parents/carers

Thank you very much for your support during 2008. We hope that you and your child/ren have had fun and pleasure from their performances and development. We are now preparing for 2009. While our policy is "first come first served", we always make a first offer to current students. Please take advantage of this offer – it will assist us to place your child in the Program. We aim to commence the 2009 Program in Week 3, Monday 16 February.

You have until COB 12 December 2008 to:

1. Pick up an enrolment form from the Front Office, or download from the AMP web site.
2. Fill it in, remembering to tick the Re-enrolment box at top right of form.
3. Hand it into the Front Office, together with annual registration fee
(**\$25** for the 1st child in the family, **\$20** for the 2nd child, subsequent siblings exempt)
